

client information form

what i need to know

Y N

Parking

Ease of access to space where I will be treating you

Minimum floor space required

Access to sink

Access to a table for a clean field

Would they be able to have moxa in their home, if not would I have access to a plug socket for a heat lamp?

Pets - these would need to be in a separate room whilst treating

Other people in the home

COVID vaccination

Has anyone in the household had COVID symptoms within 10 days of the appointment?

Reminder to have available a pillow/bolster and towels and to have a shower before treatment. also to eat at least 1 hour before
